At 10:30-10:45 I went to "Lil Something" and  
Vinker (Frances Darian) was digging a culvert  
for drainage for Brian & Annette. He broke the  
bucket on his "personal back hoe" and told Brian  
that he had to go weld it. He then drove it  
straight to the maint. shed and used OUR  
equipment & material to fix his personal  
equipment for monetary gain! At 11:30 he  
came out of our maint. shop & went back  
to "Lil Something."

THIS SHOULD NOT BE HAPPENING!!
