

COMPLAINT FORM

DATE: April 7, 2011 LOT, BLOCK, SECTION: 1-147-53

STREET NAME: Woodland Drive

NATURE OF COMPLAINT:

Mr. Miller from Miller store was speeding on the upper road leading to Hil something. He was just throwing gravel everywhere leaving up our road, there bad enough. When I caught up near where he was he was cussing at me and he kept grabbing at his private area in front of my girlfriend (Chana) and at Margie. This is unacceptable. Women don't want to see that kind of vulgarity. That against the law and we would like something done.

DATE: 4-7-11 LOT, BLOCK, SECTION: 1-144-53

STREET NAME: Woodland Dr.

NATURE OF COMPLAINT:

Keith Miller was speeding on the gravel road between his store & Lil. Something For Everyone, throwing gravel back on us riding our 4-wheeler. We stopped when Keith was having a confrontation with Dan (who works at maintenance). Keith then began cussing us, using profanity & grabbing his privates. He also tried to get Dale to fight with him. We don't need this at Woodland!
