Please do not attempt to contact me with anymore of your e-mails. I made myself perfectly clear in my last response to your latest e-mail where I stand on issues and cases pending before the court.

Sincerely,

Tom  
Deputy 950

Luann,

I am aware of Dale's false statements on websites. I will not engage

him or other idiots with such banter on a website. A public meeting or face to face I am open to.

Also, due to the change over in the Prosecutors office, Dale's case is waiting on the new Prosecutors desk. He will be charged via a summons or warrant. He can speak his peace then. Its all on film. Any questions can be referred to the PA's office.

Thanks,

Tom
