This cause coming on for hearing this 18th day of July, 1988 on the parties' "Motion for Leave to Compromise and Dismiss Class Action" and upon the evidence adduced, the Court hereby finds that proper notice of the parties' proposed "Stipulation for Settlement" was provided pursuant to Rule 52 of the Missouri Rules of Civil Procedure to the members of the class previously determined by this Court--the members of said class being set forth on Exhibit "A" attached to this judgment and constituting the lot owners of Woodland Lakes Subdivision who did not request exclusion from this litigation by May 20, 1988 (as required by this Court's previous order of April 22, 1988)--and thus being fully informed in the premises, the Court hereby orders, adjudges and decrees as follows:

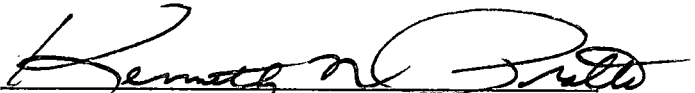

1. The parties' "Motion for Leave to Compromise and Dismiss Class Action" is hereby sustained and the Court,

having reviewed the parties' "Stipulation for Settlement" filed in this cause, hereby finds that said proposed compromise of the action is in the best interests of the parties and the members of the class (the Court noting that no objection to said settlement has been interposed) and the Court hereby approves the parties' "Stipulation for Settlement" filed in this cause.

2. Based on the parties' "Stipulation for Settlement" filed herein, the Court hereby ORDERS, ADJUDGES and DECREES that the special meeting of the Woodland Lakes property owners held on March 28, 1987 was a duly authorized and duly called and held meeting, wherein upon a lawful and proper vote of the landowners, the amendments included in the "Amended Indenture and Restrictive Covenants" of record affecting the real estate known as "Woodland Lakes" Subdivision and recorded in Book 199, Pages 92-103 of the Washington County Records, were duly passed, became in full force and effect and constituted covenants running with the land affected as of March 28, 1987, said amendments being attached hereto as Exhibit "B" and incorporated herein fully by reference. From and after March 28, 1987, said amendments became covenants running with the land and shall bind the parties hereto and the members of the class identified on Exhibit "A" attached hereto, their heirs, successors and assigns.

3. Based on the parties' "Stipulation for Settlement" and upon application of the parties, this case is dismissed and the costs herein assessed against the Plaintiffs.

SO ORDERED this 28~~th~~ day of July, 1988.
